

BRADY WILL PUT UP FIGHT OF HIS LIFE

BY FRIDA BLUM
(Special Correspondent of T. N. S.)
SAN FRANCISCO, Sept. 15.—The man on whose shoulders rests the task of prosecuting "Fatty" Arbuckle or responsibility for the death of the beautiful Virginia Rappe, is District Attorney Matthew Brady.

Lionized by a city to whose service he has given the greater portion of his life, Brady is preparing now for the biggest battle of his history.

"I will get the truth," Behind these words of the district attorney there is force. Whose who know him here in San Francisco have heard these words before.

Matthew Brady said: "I will get the truth" in the identical tone he used to-day, just prior to the vigorous prosecution that led the vicious Howard street gangsters to justice behind prison bars here, some months ago.

"I do not consider Roscoe Arbuckle entitled to one whit more consideration than those criminal gangsters got from me. He shall be prosecuted with all the force human energy can achieve."

"There are only two people who know the truth in this matter. The lips of one are closed in death, the other alone can tell, but will not," said Brady.

Into the district attorney's office has come the rumor that Arbuckle will not testify in his own behalf, that he will be instructed to take the stand, if ordered to do so, and there remain mute.

"And I say to that," thundered the lawyer and judge, who is district attorney Matthew Brady, "that I will fight for the truth to the last ditch, that I will see justice done."

"It is human nature to expect that when a man is accused of murder, he knows in his heart he did not perpetrate or commit, the first and natural thing for him to do is to protest against the shame and scorn of such bloody accusation. Roscoe Arbuckle has made no protest."

District Attorney Brady said today that it appeared to him that certain witnesses have been tampered with.

Messages commenting Brady's stand are coming in to the district attorney's office from all parts of the country. Henry Lehman, sweetheart and fiancée of the deceased, writes: "Don't let justice be cheated for God's sake. I have held court with the facts and my conscience convicts him."

D. L. Hodgson, mayor of St. Paul, says:

"Do not falter. Fight to the finish. In the name of all decent people, I thank you for your honest action."

"WILD PARTY" WAS STORK VISIT

COLUMBUS, Ohio.—The entire neighborhood, it seemed, was aroused. People were unable to sleep. It was an early hour in the morning when someone phoned police headquarters that a "wild party" was being held at the home of J. V. Rich, No. 564 Lexington avenue.

When the policemen reached the Rich residence, the "party" had arrived. The stork had brought it.

Why Grow Old Before Your Time?

It isn't years alone that make one old. Many folks are younger at 70 than others are at 50. A lame, bent back; stiff, aching joints; rheumatic pains, bad eyesight, and bladder irregularities are often due to kidney weakness and not advancing years. Don't let weak kidneys age you. Use Doan's Kidney Pills. Doan's have made life more comfortable for thousands of elderly folks. Ask your neighbor.

Here's a Hammond Case
Mrs. J. G. Hostermann, 345 E. State St., says: "I suffered from backache and other symptoms of kidney trouble. I had an awful pain through my kidneys and was very nervous. When I heard about Doan's Kidney Pills, I got a box and they brought relief right away. I kept on using them and my condition improved in every way."
